Billy Boy, what can I say about this year except thanks for being there when a real friend was needed. No one will ever be able to break up our gang. All are so awesome but you. I feel that you are the reason that our gang is centered around. Our T.P. squad will be winning this summer. Thank you Billy Boy.

I'm so glad we got to be friends. It really means a lot to me. You're a real special person & I hope we can become close friends next year. Maybe we can be in some plays together???? if you touch my house or car you're going to get it and that isn't a threat or dare!! Again, I really hope we can become good good friends.

Well my dear, where should I start. We've only known each other a year and I think you're one of the sweetest people I know. I'm super glad that in just one year we became good friends. You're a very sincere person. When someone chooses you for a friend, then they know they're making a very special choice. You're the kind of friend that a person knows they'll have always. I want you to know that I'll always be around when you need someone to talk to or whatever (umm...) This isn't exactly goodbye because I plan on seeing all my special friends. Take care & I'll be seeing you. Love ya lots!

Bill,
(No Do Head)
You crazy jop!!
Our friendship
got off on the
wrong foot when
we first met

(Stop! You're killing me. Light!)

But that is all in the past. I'm so glad that we were able to come together as friends. I know

that I'm not as tight with you as you are with Karen W. But I want you to know that

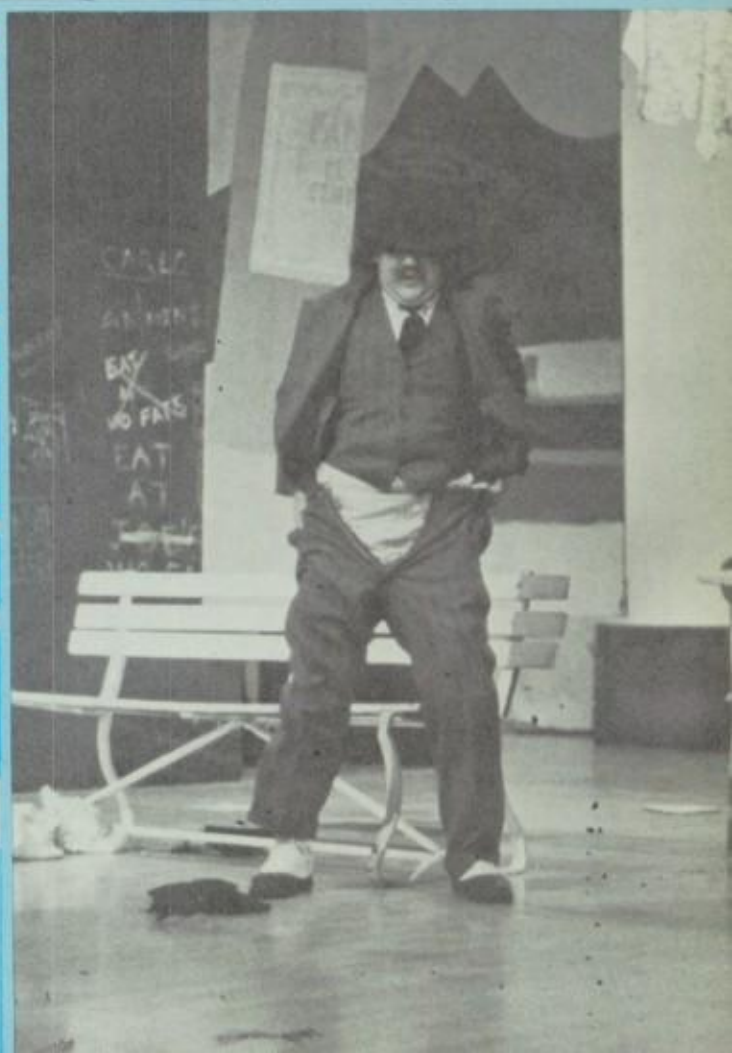

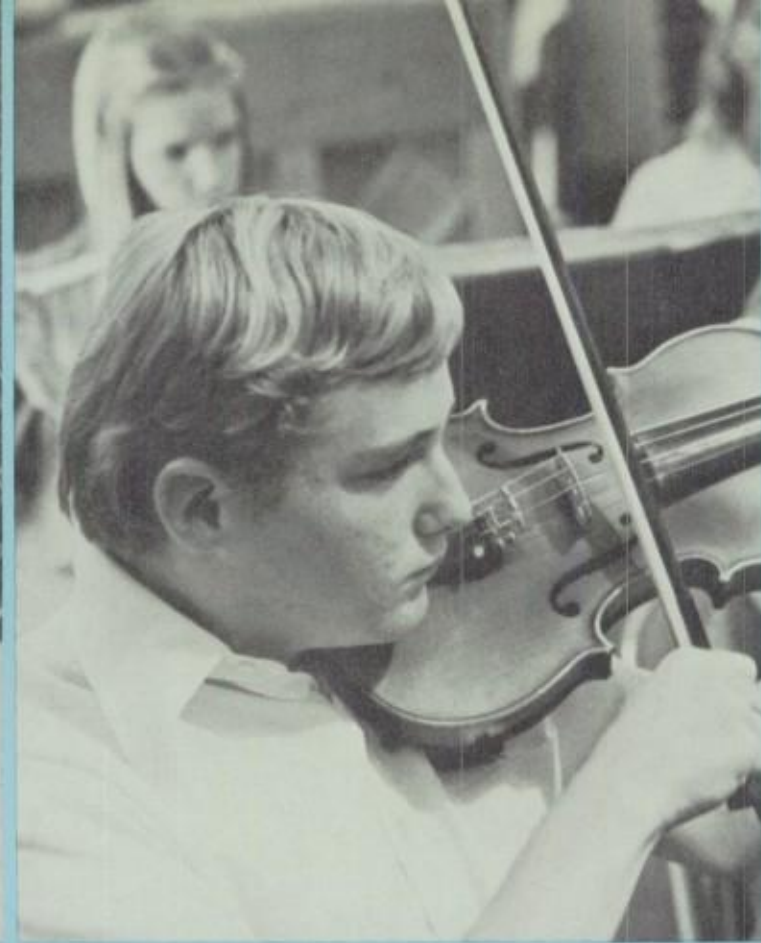

I love you very much and I hope your memories of me will be crazy ones. And remember to be your own person. Don't let anyone identify you with any groups. You'll have more fun that way.

Love ya

Homecoming Night Half-Time & the Dance

Ninety degree temperatures helped Ramona believe that they really were in Hawaii for the '76 Homecoming. The theme had been selected by the student body weeks before; perhaps Ramona enjoys a degree of ESP.

Homecoming Week

Ramona High School's Homecoming Week and Halloween Dress-Up Day brought involvement from many students, such as Karen Wirth (ABOVE LEFT). Dave Adams (UPPER RIGHT) shows off his shades. Band members practice for the parade. Meanwhile, Dave Taylor stirs up some action in the quad. OPPOSITE PAGE, UPPER RIGHT: Homecoming Queen Cheryl MacMurdo being introduced to an assembly of the entire student body.

Scapino! Fall Comedy, Italian Style

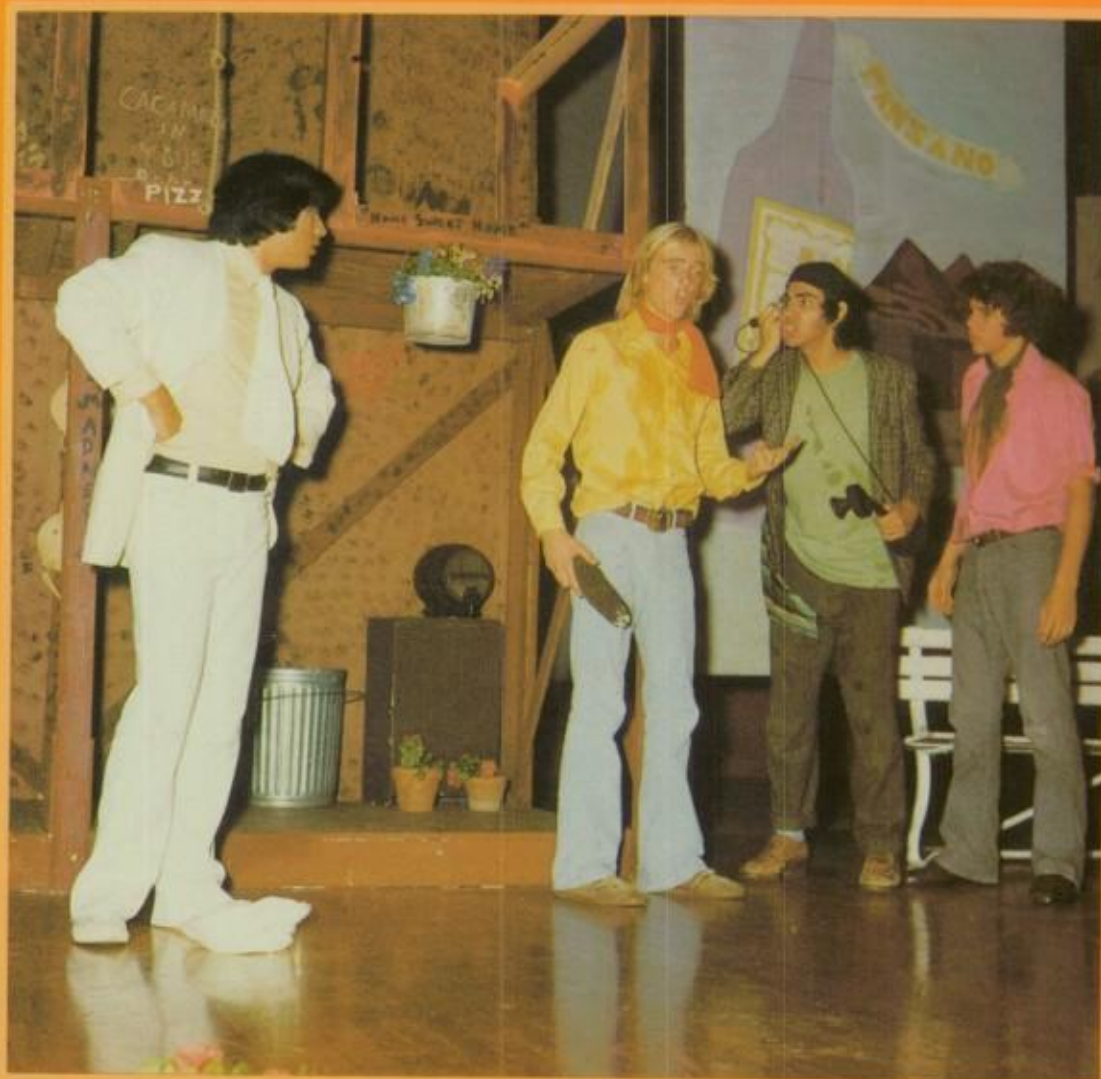

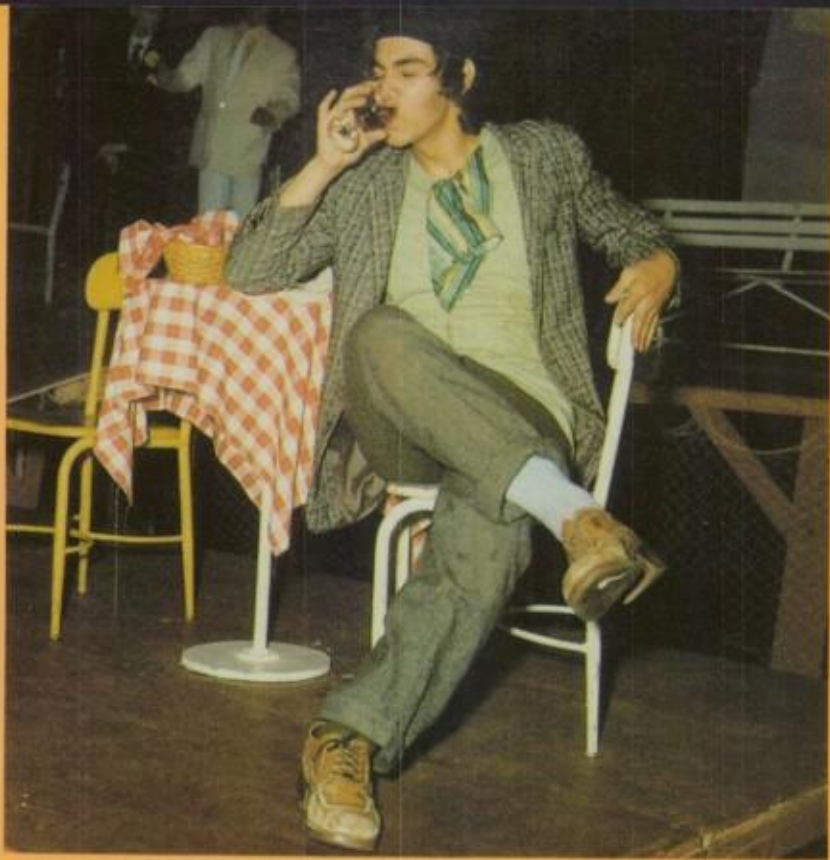

An old fashioned slapstick was wielded in "Scapino," Ramona High Theater Department's first presentation on October 7, 8, & 9.

The characters juggled, tumbled, balanced precariously and had frequent pratfalls. And insofar as it was possible, the audience, without entering the stage door, were invited, even compelled, to participate to the fullest.

Registration

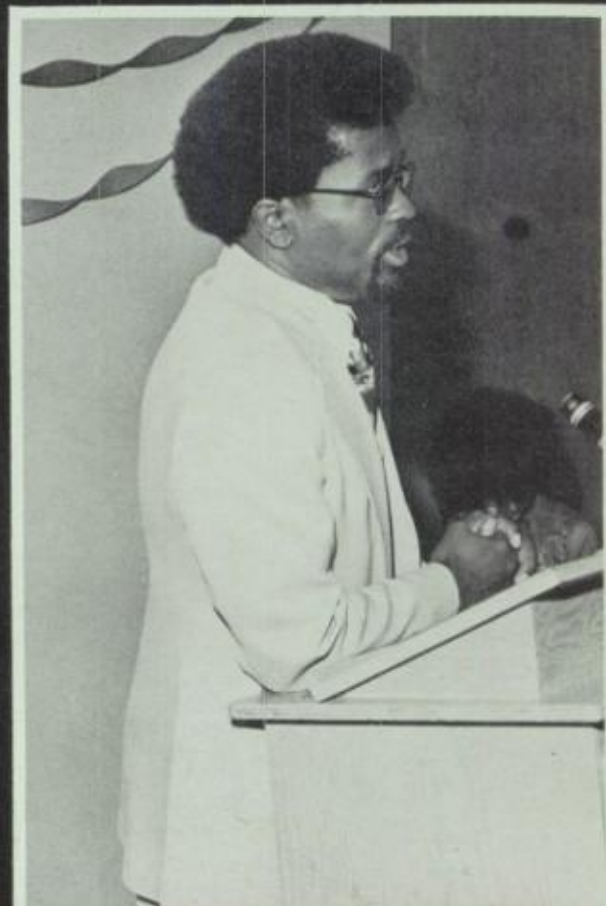

RIGHT-early risers wait in line while Elmer Garlock (BELOW) looks confused. Joni Munson embraces a smile and Shelly Brock starts a search. While the doors are being guarded for the last phase of registration a student stands before the prosecution. Mr. Bernd (RIGHT) shows a dedicated smile when two students are on the floor of a too familiar scene of schedule changing, and Bruce Groves begins his freshman year.

BSU Banquet

Ramona's BSU Crowning Dinner was held on October 31, 1976. Janice Campbell was crowned Miss BSU 1976-77, with other finalists being Terry Will and Sonya Rush. The featured speaker was Fred Goss, Head Basketball coach at the University of California at Riverside. PICTURED BELOW is Michael Walker, faculty adviser to the BSU.

Getting Into the Christmas

FAR LEFT: The ghost of Jacob Marley, (Len Connell), starts his haunt. RIGHT: The ghost of Christmas Present, (Donna Trujillo), takes a visit.

The Ramona High School Performing Arts Department, for the 2nd year in a row, won the annual "Helping Others" drama contest with its presentation of "Mr. Scrooge", A Christmas Carol, on December 2, 3, and 4. They had a repeat performance on December 16, and 17. "Mr. Scrooge" is a traditional Christmas story which has thrilled both young and old for many years, and will continue to in the years to come.

ABOVE RIGHT: The ghost of Christmas yet to come (William Berkly) is patiently waiting for Scrooge. ABOVE: The Cratchitt family takes a moment of silence. BELOW: The cast of Mr. Scrooge.

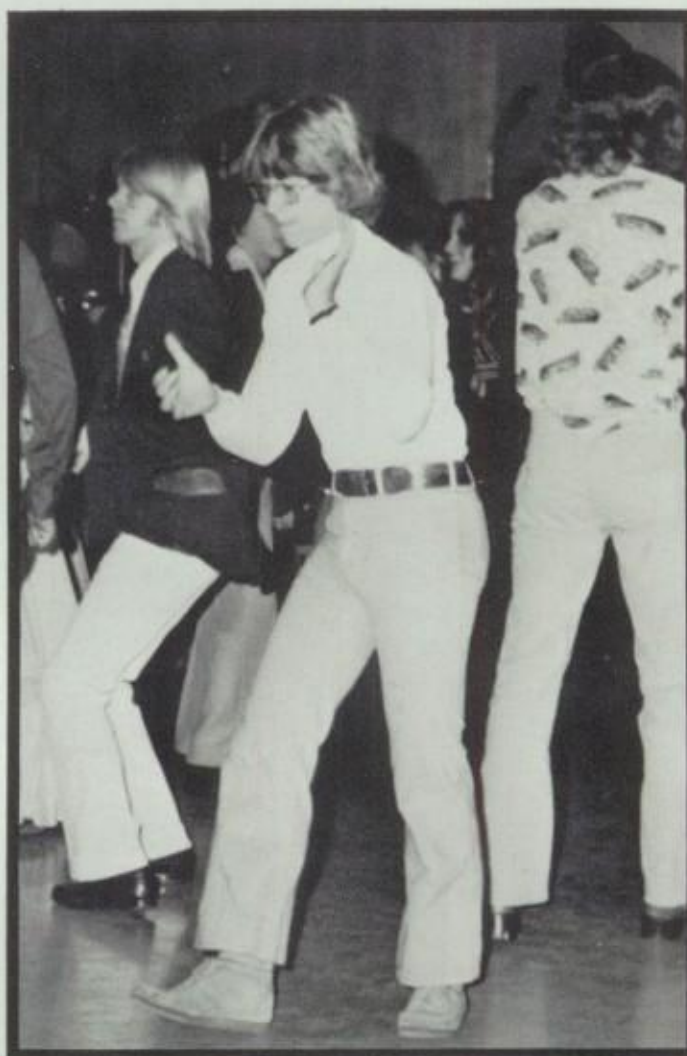

Spirit With Mr. Scrooge

CLOCKWISE FROM TOP: Scrooge (Mark Auria) rails at Christmas. BELOW: Tiny Tim (Barry Quattlebaum) is carried through town by Bob Cratchitt (Paul Chatfield). The ghost of Christmas Past (Cathy Blazer) pays a visit, LEFT: Young Scrooge (Marc Harting) and Isabelle (Suzanne Cutcliff) enjoy themselves at Fezziwig's Christmas party. Mrs. Dilber (Kathy Byrd) and the people of the town decorate the Christmas tree.

Christmas Season Brings Dance

and Welfare Drive

ABOVE: Miss Hansen's advisory

The annual welfare drive at Ramona raised \$500. in cash for the Arlington Welfare at Christmas. In addition three advisories sponsored individual families, supplying them with gifts of clothing, toys, a tree and the entire Christmas dinner. Pictures of the advisories appear on these pages. A fourth family was sponsored by the office staff.

On December 17 the Student Government held a dance for the entire student body at Riverside City College. The honored guest was Santa Claus (Jim Gutierrez). The band supplied music from 9 to 1 a.m. Student government members decorated the room in holiday colors.

Donkey Basketball

On January 19, 1977, members of Ramona's student government played Poly's student government in a game of donkey basketball. Poly's challenge to one of the finer basketball teams in the Ivy League ended in victory for Ramona, causing Poly to look likefools. Finals score; 4 to 2. The team members were: (ABOVE) Scott Malynn, Stan Junkert, Michelle Koslicki, Yvonne Patterson, Sonja Brueckner, Katie Brunelle, Rudy Raya, and Coach Cutting.

My Fair Lady

1977
Spring
Musical

On a cold, rainy March eve in England, an ordinary cockney flower girl named Eliza Doolittle (Kathy Byrd) was discovered by an English professor, Henry Higgins (Paul Chatfield), and his bumbling, yet lovable, side-kick Colonel Pickering (David Poole). All this was to the delight and distress of Alfred Doolittle (John Flaherty), Eliza's father.

On a cold March eve, with the rain just letting up, Ramona High opened its production of "My Fair Lady", which ran for three nights. Magnificent costuming, creative sets and an improved sound system enhanced an already excellent production. Standing ovations at the curtain calls were the way the audiences expressed their delight and appreciation to everyone involved.

CLOCKWISE FROM ABOVE: Alfred P. Doolittle (John Flaherty), the greatest moralist in England. Col. Pickering (David Poole) looking puzzled on Eliza's behalf. Henry Higgins (Paul Chatfield) lecturing the Colonel on Women. BELOW: The Ascot races, costumes designed by Mark Auria. Zoltan Karpathy (Len Connell).

An incredible season of basketball took Ramona to the California Interscholastic Federation finals at the Long Beach Arena, March 12, 1977. The loss there to Corona del Mar in an overtime decision left the Rams with a final 26-6 record. The Rams were attempting to become the first team from Riverside to win the CIF Basketball title and they came very close to doing it.

Mime Assembly

Just before Christmas vacation, the Ramona High School Advanced Theatre class presented a Mime Assembly showing portions from Ramona's "Mime in Our Time" show which was produced and coordinated by Ed Fuentes. The assembly also had scenes directed by John Flaherty ("The Last Flower") and Kathy Byrd ("There Was a Man"). Also a favorite of the students was "Week-End Update" in which the troupe acted out newspaper articles of the day before. Many of the teachers thought it was an excellent production because it "kept the Kids quiet".

Ramona High School Performing Arts Department presents the 4th annual Mini-Musical "On With the Show", a student directed production. The purpose of the Mini-Musical is to give more inexperienced students the opportunity to play a major part in a production. "On With the Show" deals with three criminals hiding out in the Allbee Circus and soon find themselves becoming involved in the activities of their new friends.

Bill,
 It's been a blast this year with everything we've done. When I first met
 you we all went to a basketball game and went Tee Pee-ing after. Ever
 since then we've been good friends. I'll never forget that Saturday night at Nick
 when the six of us had a ONE-HELLUVA-NIGHT. See you at Nick and ever
 where in the summer.

The Amateur Radio Club meets every Friday during the school year. The officers are: Randy Barter, President; Steven Barden, Secretary; Jim Bradshaw, Treasurer; and Brett Nesley.

The Ramona club station call letters are WGGZP.

The activities the Amateur Radio Club are involved in are operating our school radio station, and talking to other stations all over the world. The members of the club study Morse Code, theory and regulations so that they can pass the Federal Communications Commission's exam. When they pass the exam, they will become licensed operators and may operate their own short wave radio transmitting stations. The call letters by some of the names were assigned by the FCC after the persons had passed the exam consisting of a Morse Code test, and written theory and regulations test. They are justifiably proud of their call letters; they had to work to earn them.

Masquers, Ramona's Performing Arts club, continued being the active club it has been in the past years. It's membership has more than doubled from 4 years ago. This year it sponsored a theatre festival in February, helped at student productions, and will hold it's annual retreat & awards banquet in June. Adding to this, they won "Best Club Float" in the Homecoming Parade.

Ramona High School's Thespian Troupe 2603 was formed in February 1976. The purpose of the Society is to enrich theatre in our community. Twelve members and their sponsor, Gary Gerdes, went to New York City the week after Christmas to observe the theatre on the East Coast. They also won "Best Club Float" in a joint effort with Masquers.

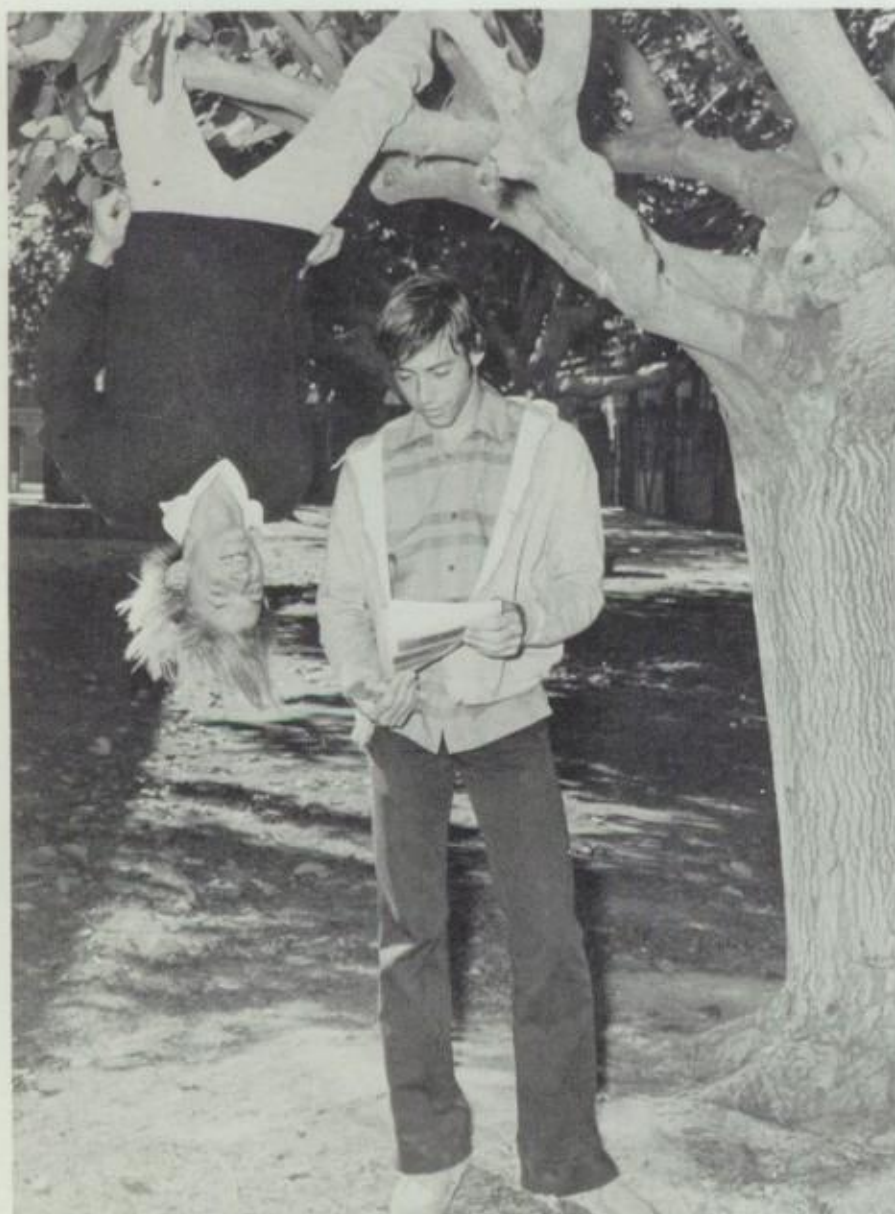

'77 Aries Staff at Work

Sandy Burkholder, Editor-in-Chief

Sandy Burkholder, editor, checks page lay-outs with Ms. Joanne Gerdes, faculty adviser.

The greatest number of yearbooks are sold during fall registration, although many are purchased in June at distribution time, but at a higher price.

There is more color in the '77 book than in any previous Ramona annual. Other changes have been made in lay-out design- all in an attempt to produce a better book. The staff hopes you will find it that.

The '77 Aries also wishes to thank certain persons for their donations of pictures: The Eastman-Kodak Company, Hans Baerwald, Roy Buchanan of Action Photography, and Ernest Wright.

LEFT: Cory Gregor and Tony Jardine, Staff Photographers

Al DeWindt worked on the freshman class section.

Activities editors were Ed Fuentes, Vicki Wilums, and Marsia Nelson, Marsi was also Business Manager.

Lisa Pendergrass and Mary Schultze were faculty editors.

Rudy Raya and Deidre Stearns were Senior Section editors.
